PROPERTY HIGHLIGHTS

- 2931 Square Foot Light Industrial/Warehouse/Auto Service Building
- 12-foot ceilings +-
- 3-Drive-in Doors
- Single and 3-phase electric

LOCATION OVERVIEW

The building is approaching 100 years old, built in 1923, and has been many things over its life, including the Historic Velvet Freeze. Currently, the property is used for the fabrication of plastic products. The interior is subdivided into three sections, a front warehouse assembly area/warehouse, an office, and a rear warehouse with direct alley access. The front warehouse assembly area has two 10' X 10' overhead doors, and the rear warehouse area has a 12' X 10' overhead door. The floors are mostly bare concrete with some tile and fluorescent lighting throughout the property. There is both single and three-phase power servicing the building.
