PROPERTY DESCRIPTION

Great opportunity to own a Mercantile Building on a heavily trafficked commercial corridor in N. St. Louis County. This property is located on West Florissant Ave, just east of Jennings Station Rd at the signalized intersection of Hamilton Ave., making this an attractive location for many businesses. The property also has a 24-car parking lot and rear alley access to the warehouse portion of the building. The 4-Retail Store Fronts were constructed in 1940, with the 2700 SF Warehouse added later.

INTERIOR DESCRIPTION

The storefronts were constructed in 1940, and each can be independent of the adjoining space. The ceiling height of the storefronts is over 9 feet. There are eight private offices, a bullpen area, built-in cubes, a bench area, and storage, all part of the space. Suspended ceilings with Fluorescent lighting throughout the property. The floors are carpeted and have tiled floors. The warehouse is approximately 2,700 SF (50" X 54"), with an 11-12 Ft ceiling and an 8 Ft loading door for easy access.
